

TXTPAGE PRO™

SIMPLE TEXT MESSAGING FROM YOUR COMPUTER

SMS TEXTING FOR BUSINESS

**PERMANENT CONTACT LISTS
With Upgraded Functions**

TXTPAGE PRO is an expanded version of TxtPage Plus which provides versatility and added features, yet still retains its easy-to-use functionality. The service is designed for anyone needing to send short informative Text Messages to clients, customers, employees, patients, parents, students, members, or other recipients.

TXTPAGE PRO has taken the best features of TxtPage Plus and enhanced them and added new functions such as: out-of-office customer messages, message scheduling with a trackable log with editing available prior to send date, expanded group size, MMS up to 100 images per month. **TXTPAGE PRO** is a powerful product that enables faster, easier, more convenient Text Message communications at an affordable price.
